The main purpose of the system for management remuneration is to stimulate a strong and lasting profit oriented culture leading to an increasing value of the Company.

Advisory guidelines

The CEO and CFO are members of a collective pension and insurance scheme applicable to all employees. The collective pension and insurance scheme is for salaries up to 12G. The Company offers standard employment contracts and standard employment conditions with respect to notice period and severance pay for the CEO and CFO. The Company does not offer any stock option programs to its employees.

Binding guidelines

In 2013, Ocean Yield ASA implemented an incentive scheme pursuant to which the CEO, CFO and certain other key employees are entitled to bonuses calculated on the basis of the development of the market price of the shares and dividends paid on the shares. Under the incentive scheme, a specified number of synthetic shares are allocated to the scheme participants. Each scheme participant annually receives a cash bonus equal to the difference of a base price and the average closing price of the shares on the Oslo Stock Exchange on the five last trading days during a relevant year and the five first trading days in the following year, multiplied by the number of synthetic shares allocated to that scheme participant (a "**Share Price Increase Bonus**"). Each scheme participant further receives an amount equal to the dividend paid per share multiplied by the number of synthetic shares allocated to that scheme participant, as of the date of payment of any such dividend on the shares (a "**Dividend Bonus**"). The scheme participant can further request to acquire shares for an amount equal to the Share Price Increase Bonus or the Dividend Bonus. In such cases, the shares shall be subscribed or purchased by the scheme participant at a price equal to the closing price less 20%. The shares must be held by the scheme participant for a minimum period of three years. For the year 2019 the CEO and CFO has been allocated the following number of synthetic shares:

Lars Solbakken, CEO:	1 100 000 shares
Eirik Eide, CFO:	610 000 shares
